NO. OF SPACERS	LENGTH Bolts M4
3	30
4	35
5	40
6	45
7	50

2. Table - bolt length adjustment

2. Drawing - example of a fixing clip

\*UWAGI

- Accurately align elements no. 8 and no. 9. See drawing no. 3.
- The marking on element no. 9 must be pointing down. See drawing no. 3.
- Select bolt length to the number of clip spacers according to table no. 2.
